

CHALET ALICE

CATERED **SLEEPS 12** in six luxury bedrooms

Chalet Alice is the epitome of ski-in, ski-out luxury in the heart of Méribel. Sleeping up to twelve guests, this stunning new chalet combines contemporary design with the warmth and charm of alpine living. Tucked amongst the pine trees with breathtaking views across the piste, it offers direct access to the slopes — ski straight into Méribel or glide down to the Adret chairlift — one of the few truly ski-in, ski-out chalets in the resort.

Inside, every detail has been carefully considered to create the perfect mountain retreat for families and friends alike. The double-height living room forms the heart of the chalet, with generous space for everyone to relax after a day on the mountain. Two beautiful master bedrooms and four further en-suite rooms ensure comfort for all twelve guests.

After skiing, unwind in style: enjoy a film in the cinema room, take a dip in the pool, or soothe tired muscles in the hammam, spa, or massage room. The outdoor hot tub bubbles away on the terrace — the perfect spot to watch the last light fade over the slopes.

Ski back to the door, swap your boots for slippers, and sink into the sofa with a hot chocolate or a glass of wine. The dedicated chalet team will be on hand throughout your stay, ensuring every moment at Chalet Alice feels effortlessly indulgent.

MÉRIBEL

WE ARE PROUD TO CALL OURSELVES MÉRIBEL SPECIALISTS. WE LOVE IT. IT IS OUR HOME AND IN OUR EYES , THE BEST LOCATION IN THE 3 VALLEYS.

Chalet Alice is in a truly unbeatable location and the perfect base for your stay in The Three Valleys. With unbeatable access to the slopes, a superb ski route home without the busy runs back to the resort centre and all amenities close to hand, we're sure you'll agree it's a hidden gem. This area of Meribel has a unique atmosphere with some fabulous new restaurants, the world famous Rondpoint après bar and some great spots to sip on a cocktail or two if that is what you prefer. One of the biggest perks is the ski in - ski out accessibility, straight onto the Doron piste which takes you straight down to the Adret Chairlift providing access to the 3 Valleys epic ski terrain without the queues at the Chaudanne. The easy blue piste will take you right back to the chalet door at the end of the day. It works well for friends and families alike. We also have a strong network of trusted suppliers and partners that we work with to bring you the very best of Méribel. For the non-skier there is plenty to see and do around Méribel; from scenic walks, swimming, ice-skating, snowshoeing, a ride up and down the mountain to check out the scenic views, sampling the alpine restaurants or just relaxing in a deckchair in the sunshine with a book.In our opinion Méribel has something for everyone. Why would you look anywhere else...
